“ Some of my first memories in life are fun times with Jerlean. We had such great times together. She was the sweetest, caring and loving lady you could ever know. She meant so much to my whole family. We all loved her dearly. I can remember how my mother, Lucille Winfrey, would talk about how much she loved Jerlean. Jerlean will always be very special to all of us. Wonderful memories of her will always be with us. She is a very special lady. We love her dearly.
