Although our family hearts are heavy, we find comfort in knowing our husband, father and pops is in the presence of the Lord. There is no more personal touch than to be in the present with Jesus for eternity.

Dedicated to our dearly loved Roy:

God looked around his garden and he found an empty place. He then looked down upon the earth and saw your tired face. He put his arms around you and lifted you to rest. God's garden must be beautiful, He always takes the best. He knew that you were suffering. He knew that you were in pain. He knew that you would never get well on earth again. He saw the road was getting rough and the hills hard to climb. So He closed your weary eyes and whispered, "Peace be thine."

It broke our hearts to lose you but you didn't go alone. For part of us went with you the day God called you home.

“ Was remembering when we were little playing with his G.I. Joe's on the sidewalk that led from the back door to Uncle Gene's garage. We were melting crayons with a magnifying glass into their legs to look like they were injured during their little plastic soldier war. Uncle Gene came out and stopped, looked for a moment, shook his head and kept going! I love you, Roy; and will miss you.
