“ Wesley Chad and I were like peas and carrots literally ... From the stranger I was so curious of identifying in my mother's idea of someone who I needed to meet to better my judgment and throw my choice of friends to a realization of my own personal mirror as they always would say.. ... Chad introduced me to his mother whom is my mother as well, huge appreciation goes to that beautiful woman. I'll never forget at Sneaky Pete's seeing his look in his eyes long for help or a person to talk with an share life experiences with... Someone to show me what love and addiction was honestly about. Something police and justice have no justice for, nor sake in the future of. Our serving and protecting law inforcement is our horror, fear and anxiety for now and from this moment forevrr, all respect is lost. Shout out to our community and Piedmonts as well. From his guatiar and Hank Williams Jr. Concerts it wasn't long before I was honestly happily sober and struggling with a former addict in my exact eyes ... I saw before me ... A man with my issues in everyway plus some. of course, he was beautiful with 4 sprouts of his own but a pain filled soul mislead and misdirected perfect human with huge potential wasting walking pacing for help in an unspoken mannor. Justice will always justify for one man and Judgment day shall come. Untill then, if we never meet again. My Dear, you were loved then like they and I love you now.. forever and one day, you better be whiskey bent and hell bound.

“ *Chad came to his Uncle Randall and Aunt Shelia's home in 2014. He was well mannered sweet spirited and happy to hang out with us for several hours. Playing a guitar singing laughing and having a great time. I loved this kid. My heart goes out to Angie. I love you Angie. I'm here if you need me.*
